## Apartments in Kamares

The building is comprised of 4 one-bed and 6 two-bed apartments all with en-suite bathrooms with new-style walk-in showers, a large veranda, private covered parking, and a storage room. The internal areas have been designed to offer maximum comfort and convenient living. Customized modern kitchens with granite worktops are also incorporated. This very eloquently named building is located in a quiet residential area in the city suburbs, near the famous Kamares viaduct. It is also in close proximity to supermarkets, schools, entertainment facilities and other local amenities, including the new Mall of Larnaca. There is very easy access to the town center, the highway network and Larnaca Airport from this point.
