Description:**Apartment in Larnaca to buy**

This is another prominent project that marks the newly emerging skyline of Larnaca. Giving emphasis to articulated grid elevations, this is an innovative development of two residential towers (A&B) with 80 serviced apartments in total, with unique characteristics and facilities all tailored together for a contemporary way of living. 100 parking spaces are available for all residents' and guests' cars, while communal areas offer joyful everyday luxuries that are rarely found. The strategic location of the project offers direct access to the main motorway network, while it is under five minutes away from Larnaca city centre.
