Description:

Apts in Larnaca for sale

The modern design of the apartment building emphasizes detail and ensures the privacy of the residents. It is a three-story building with comfortable and modern apartments. The first and second floors consist of two two-bedroom apartments and one three-bedroom apartment. The third floor has three two-bedroom apartments, with an additional separate Roof Garden for each apartment. There is covered parking and a storage area for each apartment. The project arises from the coordinated design of an experienced team of architects, civil engineers, and interior designers.
