**Описание:****Bungalow in Vrysoulles for sale**

A three-bedroom bungalow in the picturesque village of Vrysoulles. The bungalow is located on a small hill of a cul-de-sac, in a quiet neighbourhood, overlooking the open countryside and is built on a large plot with a patio covering much of the yard. A large veranda is found in the front part of the property with mature trees surrounding the yard. Connected with the property is also a specifically built double-covered parking space. Entering the bungalow, one finds the extremely large open-plan living room, with the dining area and kitchen completing it. A connecting door leads to a large separate living room. A corridor leads to the rest of the bungalow, finding 3 spacious bedrooms, with the master bedroom having an en-suite bathroom, and a second family bathroom. Sliding doors in 2 of the bedrooms, lead to the veranda in the back of the house. There is also an extra smaller house (accessory dwelling unit), in the yard of the property, that can be used for many purposes, such as storage, guest house and many more. The location of the property allows the occupants to enjoy peace and quietness, while being within walking distance to all types of amenities of the village, such as cafes, restaurants, bakeries, supermarkets, bars and others. The villages of Frenaros and Avgorou, are just a short 5-minute drive away, opening routes to the local area as well as the famous beaches of the Famagusta District, whilst the highway connecting the area to the rest of the country is a 10-minute drive away.
